

Need A Little Love
Hannah Montana

capo on 4th fret

intro: **D A G D**

D **A**
When the darkness leaves you lonley,

Em **G**
And the world tried to push you away

D **A**
When your sky is looking troubled

Em
You can count on me

G
cause I m gonna stay

D **A**
Put your worries in* my pocket

Em **G**
I have a key so we can lock it

D **Em**
I swear that, I won t let them escape

G **Em**
Love, it s always worth it love

G
Everyone deserves it

D
It s the friend that holds your hand

G
When nobody understands

G **Em**
Love, it wants to heal you, love

G
And see the real you

D

But you have to open up

A

Em

When you need a little love

D

A

If there s something you re in need of (you re in need of)

Em

G

D

You only have to let me know

Em

G

I ve got a shoulder you can lean on

D

A

& I m always (always) right up the road

D

A

Put your fears in* my pocket

Em

G

I ve got* a key so we can lock it

D

Em

And no one (no one), will let them escape

G

Em

Love, it s always worth it love

D

Everyone deserves it

Em

It s the friend that holds your hand

G

When nobody understands

G

Em

Love, it wants to heal you, love

D

It see the real you

Em

But you have to open up

D

Em

When you need a little love

D **A**
Every night when your heart is praying for peace

G
A noise in your head, yeah

Em **D**
There s a light that is yours too keep

A **Em**
And brighter than all the rest

G **Em**
Love, it s always worth it love

G
Everyone deserves it

D
It s the friend that holds your hand

A
When nobody understands

G **Em**
Love, it wants to heal you, love

D
And see the real you

A
But you have to open up

Em **G**
When you need a little love
