

**Rock Star**

**Hannah Montana**

[VERSE 1]

**E F# A B**

Sometimes I walk a little faster  
In the school hallway  
Just to get next to you  
Some days I spend a little extra  
Time in the morning  
Just to impress you

[PRE 1]

**F# B A**

Guess you don't notice  
Guess you don't need this  
Sad you're not seeing what you're missing

**A**

On the outside shying away

**B**

On the inside dying to say

[CHORUS 1]

**E F# A B**

I'm unusual  
Not so typical  
Way too smart to be waiting around  
Tai chi practicing  
Snowboard champion  
I could fix the flat on your car  
I might even be a rock star

[VERSE 2]

**E F# A B**

Sometimes I wish when the phone rings  
That it would be you  
Saying let's hang out  
Then you confess  
That there's something special between us  
Why don't we find out

[PRE 2]

**F# B A**

But you don't know me  
Guess you don't need me  
Sad you're not seeing what you're missing

**A**

On the outside shying away

**B**

On the inside dying to say

[CHORUS]

**E F# A B**

I m unusual

Not so typical

Way too smart to be waiting around

Tai chi practicing

Snowboard champion

I could fix the flat on your car

I might even be a...

[BRIDGE]

**E C# A B**

...rock star

If you only knew the real me

I might even be a rock star

I m telling you that we are meant to be

Now wouldn t it be nice if you could see

That I really am a rock star E.

[CHORUS]

**E F# A B**

I m unusual

Not so typical

Way too smart to be waiting around

Tai chi practicing

Snowboard champion

I could fix the flat on your car

I might even be a rock star
