

You And Me Together
Hannah Montana

INTRO: **F C Bb** x2

C **Bb**
Looks like we found ourselves
F **C**
Up against a wall
C **Bb**
In need of a little help
F **C** **Dm**
But no one wants to call
G **Bb**
After all weâ€™ve been through
F **C** **Dm**
Do we let our friendship end
G
You need me and i need you
Bb
No, we will not break
Never break
Bb(hold)
But even if we bend,
Yeah it s

Anyone can have a day
F **C**
When their heart is on their sleeve
C **Bb**
No one wants to see it our way
F **C** **Dm**
Canâ€™t agree to disagree
G **Bb**
Youâ€™d think itâ€™d be easier
F **C** **Dm**
But it feels like you just canâ€™t win
G

But somehow weâ€™ll make it work
