

Take My Leave

Hannah

this is a little known artist but quite good. fans of alanis and dinosaur jr will know where she s coming from.

there s this chord she plays i m not sure what it is, i ve called it X and it looks like this :

----3-----
----3-----
----3-----

intro:

-----0-----3-----0-----
-----2-----2-----3--3--3-----2--2-----
-----2--2--2-----2-----3--3--3-----3-----2--2--2-----
-----2--2-----3-----2--2-----
---0-----0-----

strum **A**

Am **X**
You were supposed to come in right behind me, I got to the other side and you

A
weren t there

Am **X** **A**
Now i see you walk away, you got to the other side and left me there

Am **X**
You look at me, your bright eyes close, I remember when they used to shine like

A
the sun

Am **X** **A**
If you re wondering why I care at all, you wouldn t be the first one

chorus:

G **D**
If I d have known i wouldn t have come to watch you leave, i shouldn t have

A
come to leave you

G **D** **A**
I always knew, they d always said, I won t give up, until you ve gone and left

me

Am **X** **A**
now I've missed the last train home I know too well that you won't come and get
me

Am **X**
and when you're thinking on your own you forget to remember the lessons that
A
I've taught you

G **D**
If I'd have known I wouldn't have come to watch you leave, I shouldn't have
A
come to leave you

G **D** **A**
I always knew they'd always said, I won't give up, until you've gone and left me
then strum **G, D, A**
I think that's right
