We cannot just sing songs without action

That should come with the faith we have

We will never please God with just nice words

Because faith without deeds is dead

F#

F#

Is absolutely meaningless

[Chorus 1]

We gotta go and shine our light

Like a city on a hill we cannot hide

We gotta go put up a fight

Come on and look alive in Christ we are alive

go oh oh oh

E B

[Verse 2]

B **A**
We cannot just sit still watch the world burn
E **B**
While we carry so much hope in us
B **A**
Salvation is kick-off not an ending
E **B**
There is so much more to life than this

B **A**
Oh the God talk without the God walk
E **F#**
Is not considered righteousness

[Chorus 2]

B **A**
We gotta go and shine our light
E **B**
Like a city on a hill we cannot hide
B **A**
We gotta go put up a fight
E **G**
Come on and look alive in Christ we are alive

[Interlude]

B
We gotta go oh oh oh
A
go oh oh oh
E **B**
go oh oh oh

[Bridge] x2

D **A**
You and I are made to fly
E **B**
And show our glow in the world we live in
D **A**
You and I cannot be shy
E **B**
To show our friends that this love is real

[Chorus 3]

B **A**
We gotta go and shine our light
E **B**
Like a city on a hill we cannot hide
B **A**
We gotta go and shine our light
E **B**
Like a city on a hill we cannot hide

B

A

We gotta go and shine our light

E

B

And if love is a verb than our faith needs some work

B

A

Weâ€™re meant to go put up a fight

E

G

Come on and look alive in Christ we are alive

[Outro 4]

B

We gotta go oh oh oh

A

go oh oh oh

E

B

go oh oh oh
