F#m

Took myself outta New York City
But New York won t leave me alone
I found everything I needed there
In a Deli right down the street

Am

It s always in my blood
The last place I felt at home

F#m

Chewing up the great Big Apple
You learn to love the smell of the streets

D **Bm** **F#m**
THERE S ROCK N ROLL IN NEW YORK CITY

D **Bm** **F#m**
AND LOTS OF THINGS TO GET ON DOWN

D **Bm** **F#m**
LIFE CAN GET HARD IN NEW YORK CITY

D **Bm** **C#**
BUT I LL BE BACK TO ROCK THAT TOWN

A **A/Ab** **F#m**
JUST STICK AROUND

(Solo)

A **A/Ab** **F#m**

Either I had nails for breakfast
Or the day just wasn't right
Face to face with sheer brutality
Concrete cold reality

Am

Part of me just couldn't stay
Part of me just can't break away

F#m

Survivin' New York City
Is an impressive fact indeed

D **Bm** **F#m**

THERE'S ROCK AND ROLL IN NEW YORK CITY

D **Bm** **F#m**

AND LOTS OF THINGS TO GET ON DOWN

D **Bm** **F#m**

LIFE CAN GET HARD IN NEW YORK CITY

D **Bm** **C#**

BUT I'LL BE BACK TO ROCK THAT TOWN

A **A/Ab** **F#m**

JUST STICK AROUND

(Repeat and fade)
