

Call me

Hanson

(I. Hanson / T. Hanson / Z. Hanson)

(G9 G4/D G9)

Good morning, I m alone
My drawer s on the shelf
Because my broken heart
Can t mend more of itself

Today your hope is gone
He took it when he left
Cos his promise to hold on
Never could be kept

Em D C9 G9

Just pick up the phone and call me

Em D C9 G9

When you find yourself alone just call me

I love the way I find
Your eyes to be so kind
And it s funny how they seem
To stare straight through me

So if you wake up today
Forgetting what you have
And find that you feel lost
I ll be your ticket back
