[Intro:] **G C G**

C G
You promised not to say a word
C G
You promised you would keep it quiet
F Bb
But you and I both knew it
Am C
It was written all over your face

G D C G
So I cried
Bb C G D C G Bb C
Did you say goodbye?

We had a love I thought could last
I guess I was thinking four leaf clovers
But you wished we were over
Now I ve lost thee and I ve only got one

Am Bb
Let s not even bother in talking about it
Em C
It doesn t really matter to you
G D C G Bb C
So get on home baby!

A secret s something that you keep
And a heart is something to hold on to
But you play by your own rules
And one day they will blow up in your face
