

Dying to be alive

Hanson

[Intro:] C F G

C F G C
I heard you crying somebody stole my soul
F G C
How could I be dying I turned twenty five days ago we re all
Bb F/A G C
On the ground just crying out would somebody save me please
Bb F/A G
I won t sit around just thinking about the troubles that tomorrow brings

C Dm Em F D# A#
I m dying to be alive, yeah
C Dm Em F D# A#
I m dying to be alive, yeah
C Dm Em F D# A#
Let s not go through our lives without
C Dm Em F D# A#
Just dying to be alive, yeah

The people you ve touched the way you touched them I hope they ve touched you too

Cause in this life it s hard to tell what s false and what is true
We re all on the ground just crying out would somebody save me please
I won t sit around just thinking about the troubles that tomorrow brings

I m dying to be alive yeah
Not trying to just survive
Let s not go through our lives without
Just dying to be alive

Am G F C
And we all come tumbling down
Am G F C
No matter how strong we all return to the ground
Am G F C
Another day gone, a day closer to fate
Am F
And soon we ll find it s a little bit too late

Solo: Am F G

The things you see the way you see them will never be seen again
Let s go through life living on luck, betting ten thousand to ten
Mistakes I ve made in this life I can t say why or when
But the thing that s strange is you only live once, I ll never look back again

Bm A G D

And we all come tumbling down

Bm A G D

No matter how strong we all return to the ground

Bm A G D

In the days to come you ll say why did I wait

Bm G A

You can t just leave your life up to fate

Bm G A

You ve got to turn it around before it s too late
