**F C F C**

**F**

You feel like liberation

**C**

You give me new sensation

**F**

You show me what I need and

**C**

You are my life completed F C

**F**

Can t stop, can t break, who s driving?

**C**

Sometimes there s no denying

**F**

Till today I feel I can t lose

**C**

I m letting go of what I knew

**F**

I want you for always

**A#/Bb C C7 F**

I hear your name in every word I say

**F**

I m a fool and I don t care

**A#/Bb C A#/Bb C F**

I hear your name in every word I say F C

**F**

Before you I was only

**C**

What I let control me

**F**

You are a revolution

**C**

Against my own conclusions

**E                    A#/Bb**

Till today I feel I can't lose

**C**

I'm letting go of what I knew

**F**

I want you for always

**A#/Bb                                    C            C7            F**

I hear your name in every word I say

**F**

I'm a fool and I don't care

**A#/Bb                                    C    A#/Bb C    F**

I hear your name in every word I say

**F**

Oh no no no no no no...

**C**

Oh no no no no no no...

**F**

Oh no no no no no no...

**C**

Oh no no no no no no...

**Am                    A#/Bb                                    C**

And now I say goodbye to the way I used to be

**Am                    A#/Bb**

There is no room for question

**C**

Cause your name it sets me free

**Am                    A#/Bb**

Yesterday's troubles harm me

**C**

Today's are creeping in

**Am                    A#/Bb**

So let go of the world around me

**C**

Cause your love is all I need

(pause)      **F**

I want you for always

**A#/Bb                                    C            C7            F**

I hear your name in every word I say

**F**

I'm a fool and that's okay

**A#/Bb                                    C    A#/Bb C    F**

I hear your name in every word I say
