[Intro:] **D4 D G D4 D G**

Bm A G
We sit secure in time-honored traditions made
Bm A G
And never wondering where or when the sickle may come
Bm A G
If we don't seek out knowledge to be greater men
Bm A
When the rain starts falling gonna drown before we get our feet wet

We build our ivory towers to protect us from the floods
A fleet of vessels made of wood so they won't rust
Can we see the bottom of a bottle when we start to drink?
There's fire on the mountain...fire and it's coming our way

G D G
Can we pick the pieces up
D
We're mending Babylon
Tryin' to right the wrong
G D
Can we pick the pieces up
A/C# Bm G D
Live, learn, lie, love, die, dust, gone
