```
D                            G                   A
 Well every single time I see you I start to feel this way
D                            G        A              D
 It makes me wonder if I am ever gonna feel this way again
                          G               A        D
 There s a picture that s hangin  n the back of my head
                 G      A
 I see it over and o...ver
```

```
            :           Bm           A       D
            :I wanna hold you and love you in my arms and then
            :           Bm                 A         D
Estribilho :I wanna need you  cause I need to be with you till the end
            : Bm          A                   D
            :Then I hear myself reply  You ve got to hold it in
            :         G       A
            :This time tonight
```

```
       :D
       : If only
       :    G                 A
       : I had the guts to feel this way,
       :D

       : If only
       :          G              A
       : I could take you in my arms and say,
       :G          A                (D G A)x2
       : I won t go   cause I need you
       :                  cause I need you
```

```
D                            G           A             D
 Sit here waiting, wondering, hoping that I ll make this right  cause all
                          G             A           D
 I think about is your hands, your face and all these lonely nights
```

```
                    G                 A           D
  There s a feeling screaming in the back of my head
                      G       A
  Saying it over and o...ver

          : Please don t go    cause I need you now

Bm
  I wanna hear you say it ll always be this way
A                              D
  And we ll be hand in hand for everynight and everyday
Bm
  I wanna scream and shout   cos I m losing any doubt
A                        D
  And all I care about is you and me and us and now
