I got a feeling that I cannot contain
Fm
I can't believe this moment
C#
You've got your eyes locked on me
G# **D#**
In my head I think it must be a mistake
Fm
But my heart says, take your chances
C# **A#m** **D#**
It could be this first dance is the ?unexpected beautiful?
C# **D#**
I can barely admit I've been longing for

There's nothing that I wouldn't do
C# **G#** **D#** **G#4** **D#**

C# **G#**
And if you wanna run tonight
