

**Strong Enough To Break
Hanson**

INTRO:

C9 G D

VERSE:

C9 G

Well I m not feeling myself today

Dsus

Just a figure in a big monopoly game

C9 G

Struggle is the price you pay

D

You get just enough just to give it away

C9 G

I m sinking while they re floating away

Dsus

Just throw me a line so I can anchor my pain

C9 G

The fabric is about to fray

D

The fabric is about to fray

(**C9 G D**)

Maybe you could take a look at yourself lately

(**C9 G D**)

Maybe you could take a look at yourself lately

(C9 G D)

Maybe you could take a look at yourself lately

(C9 G D)

Things keep coming and I keep wondering
And I start feeling the walls close in
Things keep coming and I keep stumbling

(C9 G D)

I start feeling strong enough to break

I start feeling strong enough to break

(C9 G D)

I've been running through my mind today
Scenarios to add to your hypocrisy
No one ever takes the blame
But everyone is searching for a cure to the pain
Nothing ever seems to change
Oh, nothing ever seems to change
We just play like broken records in a deaf man's charade

(C9 G D)

Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately

Things keep coming and I keep wondering
And I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling strong enough to break
I start feeling strong enough to break
I start feeling strong enough

Ahhahhh...

C/G C9 G
Carry on just a pawn and the same old song

D
I'm still holding on...

The fabric is about to fray

Maybe you could take a look at yourself lately
Maybe you could take a look at yourself lately
Things keep coming and I keep wondering

And I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling strong enough to break
I start feeling strong enough to break
I start feeling strong enough
Things keep coming and I keep wondering
And I start feeling the walls close in
Things keep coming and I keep stumbling
I start feeling strong enough to break

I start feeling strong enough...

Oh yeah

Strong enough to break

Strong enough to break
