

**This Time Around**  
**Hanson**

-Okay, I changed this. I saw hanson perform live on MTV, and there s no capo. You can still do the capo version (it s the same thing, you just don t have to use bar chords), but here s the updated one if you want to be technically perfect.

Chords:	G#	F#	C#	A#m	D#
E	4	2	4	6	6
B	4	2	6	6	8
G	5	3	6	6	8
D	6	4	6	8	8
A	6	4	4	8	6
E	4	2	X	6	X

X - means don t strum that string

Verse:

I heard them say that dreams should stay in your head  
Well I feel ashamed of things that I've said  
Put on these chains and you live a free life  
Well I'd rather bleed just to know why I die

Verse:

I've started feeling like I don't want to fight  
Give in to the given and put out the light

Then I remember and I know why he died  
Do you know why I'd died

Repeat Chorus

-Okay, I know there's a guitar solo thingy here, but  
on the copy I have you can't hear it almost at all, so  
I couldn't tab it out. I'll be sure to get it when I  
get the CD! I hope you enjoy it, it's a great song!
