Hanson

(intro) **F Bb/G F7/A Bb/G**

(**F Bb/G F7/A Bb/G**)

Without a doubt
Girl, you re ahead of your time
Let s go out on the town
And give it a piece of your mind

You ve been going round and round in your head
So don t think twice you live it once, then you (bail?)

(**Dm7 C9 Am7 Bb9**)

Cause I know that you ve been thinkin bout it
And I know they think you re out of your mind (**F Bb/G F7/A Bb/G**)
All of this time, I know that you ve been waiting for this

(**F Bb/G F7/A Bb/G**)

Shout it out (shout it out!)
So everybody can hear
There s no need to write it (no need to write it!)
The message is clear
You know I can t ignore
Said, don t know what you re waiting for
But you re trying hard not to show it

(**Dm7 C9 Am7 Bb9**)

And I know that you ve been thinkin bout it
And I know they think you re out of your mind (**F Bb/G F7/A Bb/G**)
All of this time, I know that you ve been waiting for this
I know that you ve been waiting for this

(solo) **F Bb/G F7/A Bb/G**

(**F Bb/G F7/A Bb/G**)

You figure out how I made it this far

G#

If you don t mind me saying

Bb/G

There s no sense in waiting

(**F Bb/G F7/A Bb/G**)

So, shout it out (shout it out!)
Shout it out (shout it out!)
You can t deny it (you can t deny it!)
til you try it

(**Dm7 C9 Am7 Bb9**)

Cause you know that you ve been thinkin bout it

And I know they think you re out of your mind
All of this time, I know that you ve been waiting
So, you cant deny

(F Bb/G F7/A Bb/G)

I know that you ve been waiting for this
