And a voice says please don t forget

Bb

Do they know that the world s on fire

Do they know that the time is now

F

Do they know that you ve got to stand up stand up

Eb

Use your voice speak out

Bb F

Do they know that it s time

Bb

Caught in a maze you can t escape

Gm

The flickering lights and the colored lens

F

The walls that we build just close in

Eb

Until we decide to begin

Bb

Are we distracted by the sun

Gm

The glittering jewels and the beating drums

F

Is it going the distance we fear

Eb

Have you heard that we re already here

Bb

Do they know that the world s on fire

Do they know that the time is now

F

Do they know that you ve got to stand up stand up

Eb

Use your voice speak out

Bb

Do they know that the world s on fire

Do they know that the time is here

F

Do they know that you ve got to stand up stand up

Eb

Let your voice be clear

Bb

Do they know that it s time
