

**World's On Fire**  
**Hanson**

(intro) **Bb F Eb F**

**Bb**

Watched from a distance it s beautiful

**Gm**

Somebody s caught in the undertow

**F**

Have you ever felt desperation

**Eb**

Cause the salt water s filling your lungs

**Bb**

We re in regret of where we sleep

**Gm**

Promises never meant to keep

**F**

When all that the shadows need

**Eb**

Is a good man to hide in a dream

**Bb**

Do they know that the world s on fire

**Bb**

Time is a price you can t afford

**Gm**

An empty glass and an open door

**F**

You get what you pay for in sweat

**Eb**

And a voice says please don t forget

**Bb**

Do they know that the world s on fire

Do they know that the time is now

**F**

Do they know that you ve got to stand up stand up

**Eb**

Use your voice speak out

**Bb F**

Do they know that it s time

**Bb**

Caught in a maze you can t escape

**Gm**

The flickering lights and the colored lens

**F**

The walls that we build just close in

**Eb**

Until we decide to begin

**Bb**

Are we distracted by the sun

**Gm**

The glittering jewels and the beating drums

**F**

Is it going the distance we fear

**Eb**

Have you heard that we re already here

**Bb**

Do they know that the world s on fire

Do they know that the time is now

**F**

Do they know that you ve got to stand up stand up

**Eb**

Use your voice speak out

**Bb**

Do they know that the world s on fire

Do they know that the time is here

**F**

Do they know that you ve got to stand up stand up

**Eb**

Let your voice be clear

**Bb**

Do they know that it s time

**Gm7**

**Eb7+**

Some will say we ve gone to far

**Gm7**

**Eb7+**

We re on the edge, we re in too deep

**Gm7**

**Eb7+**

Some will say we re too far gone

**Gm7**

**Eb7+**

You can t erase a tragedy

(solo) **Bb F Eb F**

**Bb**

Do they know that the world s on fire

**Gm**

Do they know that the time is now

**F**

Do they know that you ve got to stand up stand up

**Eb**

You ve got to stand up stand up

**F**

**Bb**

Do they know that the world s on fire

Do they know that the time is here

**F**

Do they know that you ve got to stand up stand up

**Eb**

Let your voice be clear

**Bb Gm F**

Do they know that it s time

**Eb**

**Bb**

Do they know, do they know
