Listen to the song for the rhythm... it s too hard to tab.

The second single notes bit i found very hard to tab, even after slowing it down, as i think there might be 2/3 parts being played at the same time, but this is roughly what i could make out .

Also i think loopy uses pinch harmonics, but i can t play them, as i havn t learn quite a few techniques on electric guitar, but there is definatly a squeal on the 9, and somewhere later on.

Riff 5 (very end from 23 seconds from end)
