

**Dennis And Lois**  
**Happy Mondays**

Its a Bass based song really but if you strum a decent rhythm it sounds quite good.

Driff (x4) (Normal D chord using your little finger on the 3rd and 5th fret on the  
1st string. listen to the song and you ll get it.

**C**  
We all learn to box at the Midget Club  
Where we punch with love and did someone some good  
It s good to see ya, to see ya nice  
If you do it once, well we ll do it twice  
We re twice as likely we re twice as bright  
You say it s wrong but we know it s right

**C**  
Right  
**Gm7**  
Right on, right on  
**F**  
Right  
Driff  
Right on, right on

**C**  
We all learn to wash at the scrubbers club  
Where we ring out the dirt with rub a dub dub  
Tell me how you think if you think it s good  
Say it loud and clear so it s understood  
You take it how you make it like I knew you would  
Let it bleed let it heal let me sleep it s no good, so...

**C** **Gm7**  
Let s ride, right on right on  
**F**  
Right, right on right.....

**F/A**                      **G**  
Honey how s your breathing  
          **F/A**                      **G**  
If it stops for good we ll be leaving  
          **F/A**                      **G**  
And honey how s your daughter  
          **F/A**                      **G**  
Did you teach her what we ve taught yer  
          **F**                                      Driff  
And if you didn t well you ought to do it now

**C**  
Well lets ride ride on ride on  
  
Ride on ride...

**G/G**                      **G**  
Honey how s your breathing  
**G/G**                      **G**  
If it stops for good we ll be leaving  
          **G/G**                      **G**  
And honey how s your daughter  
          **G/G**                      **G**  
Did you teach her what we ve taught yer  
          **F**                                      Driff  
And if you didn t well you ought to do it now
