Har Mar Superstar

[Intro]

G C F G C Am F G C

[Chorus]

C

The clock is moving it goes

G C

Tick tick tick tick tock

F G

But the big hand won't move fast enough.

C Am F G C
At twelve-twelve I'm making a wish to counteract the bad things you did

[Verse 1]

G Em

Close your eyes and project to the sky.

C D

Loving loving you remember too,

G Em

Everyone knows that your dreams can come true,

C Bm G

A superstitious thing that we do.

[Chorus]

G C

Tick tick tick tick tock

F G

But the big hand won't move fast enough.

C Am F G C
At twelve-twelve I'm making a wish for selfishness.

[Verse 2]

G Em

Negative wishing, our new tradition

C D G

Keeping out the bad vibes throughout this mission.

G Em

Cause we've got everything that we could want

C D

Every security from money to love.

G Em

These are the measures that I have to take;

C Bm G

Focus on the positive.

G

that's right we sing and we go:

[Chorus]

G **C**
Tick tick tick tick tock

F **G**
But the big hand won t move fast enough.

C **Am** **F** **G** **C**
At twelve-twelve I m making a wish to counteract the bad things you did

G **C**
Tick tick tick tick tock

F **G**
But the big hand won t move fast enough.

C **Am** **F** **G** **C**
Twelve-twelve I m making a wish, just make that bad wish.
