[Verse 1]

G Bm C D

I m packing up my life in the midst of the night.

G Bm C D

I can t look at this room or you, it s just too soon.

[Chorus]

G E7 A7

Don t go soft without my love, darling, just go,

D

It s the end of an era, the end of the road.

G E7 A7

You just have to let me flow as long as you know.

D

I ve made my mistakes now I have no home and

G E7

Don t go soft without my love.

A7 D

I ll be there to hold you, it s time that I told you.

G E7 A7

Just let the memories unfold when it gets cold.

D

In your new world and out on your own
