

**Under The Moon Interlude
Harbour**

After playing the **G** keep your finger on the high E string for the whole song

[Chorus]

G

So we ll settle down under the moon.

Cmaj7

Find a place with just me and you.

Em

With that look in your eyes and the stars so bright,

Cmaj7

G

we ll settle down under the moon.

[Verse 1]

N.C.

And I launched myself into the stars.

Cmaj7

With batting eyes and softly beating hearts.

Em

You whispered in my ear,
