Fever Dreams
Hardline

[Intro]
C   Dm
C   Dm
C   Bb

[Verse 1]
```
   Dm                        C           Ab
The moon don t shine and I don t see my road again
            Dm              C              Gm
Where s the light at the end? Where is my life I lost?
   Gm         F              Eb
An ancient call, darkness falls around me
   Gm         F              C
Spirals of fire, you d put me higher again
```

[Pre-Chorus]
```
Ab       C              Dm
Where am I now? What should I see beyond?
Ab           C          Eb G
No shining star to light my way home
```

[Chorus]
```
 C    Dm     C     Dm     C    Ab
Stone cold, heart of gold, set me free
 C    Dm     C     Dm     C    Ab
Dark night, poison bite, fever dreams
 C    Dm   C        Dm     C      Ab
DÃ©jÃ  vu I can t see through, Leave me alone
   C    Dm     C       Dm     C    Ab
A later dawn, brightness gone, Fever dreams
```

[Verse 2]
```
   Dm                        C           Ab
No edge in this town, only despair around
  Dm            C              Gm
No candle to burn, where should I turn?
   Gm         F              Eb
The day is gone and like a swan I sing my last song
   Gm         F              C
Devil s daughter awaiting your slaughter, you re lost
```

[Pre-Chorus]
```
Ab       C              Dm
Where am I now? What should I see beyond?
Ab           C          Eb G
No shining star to light my way home
```

```
[Chorus]
 C       Dm      C        Dm       C       Ab
Stone cold, heart of gold, set me free
 C       Dm      C        Dm       C       Ab
Dark night, poison bite, fever dreams
 C     Dm    C          Dm          C          Ab
Déjà  vu I can t see through, Leave me alone
    C      Dm      C        Dm       C       Ab
A later dawn, brightness gone, Fever dreams

[Chorus modulation]
D       Em      D        Em       D       C
Stone cold, heart of gold, set me free
D       Em      D        Em       D       C
Dark night, poison bite, fever dreams
D       Em      D        Em       D       C
Déjà  vu I can t see through, Leave me alone
D       Em      D        Em       D       C
A later dawn, brightness gone Fever dreams
```
