E5C D B

You come on like a sweet child here drive me wild when I want you

E5C D B

E5C D

You giving me a rough time then you change your mind then you want me

E5C D

You come so close, but you never stay

**E5**

**C D**

You take my heart, and then you walk away

**G D C**

You re hard to love, but it s hard to let you go

**G D C**

I need you now, but I m afraid of letting you know

**G D C A**

It s hard to love, and never understand

**D C**

How it slips right through your hands

**E5 C D**

I wanna say you re mine but acting like you don t know me

**E5 C D B**

All I need is one night just to make it right when you re lonely

**E5 C D**

I got to know if we can make it last

**G D C**

You re hard to love, but it s hard to let you go

**G D C**

I need you now, but I m afraid of letting you know

**G D C A**

It s hard to love, and never understand

**D C(let ring) E5 C D(let ring)**

How it slips right through your hands

Can t pretend I don t want you to know

**A B**

Every touch leaves your mark on me

Little things seem to haunt me now

**C**

**D**

**E5**

I can't believe you've become a part of me

{Bridge}

Intro Riff then adlib over **A-D-E5-D-C-A-D-A-B-C-D-G**(let ring)

{Chorus till fade out}

That's pretty much it. Listen to the song for the timing of the chords during the solo. Any corrections/questions send
