Intro: | C /// | Am /// | F /// | G /// | x2

          C      F  
Thereâ€™s a patter of little feet running by  
          C          F  
Saying Iâ€™m not yours and youâ€™re not mine  
          C      F  
But sheâ€™ll find a way to fill her time  
          Am      G  
As another day goes down

Thereâ€™s a red cheeked smiling sleepy baby child  
On her mommas shoulder down the market aisle  
And it never fails to bring a smile  
To see those tiny hands holding on tight

          C      F          G  
Time, thereâ€™s not much left of it  
          C      F          G  
The clock, it keeps on ticking  
          C          Am  
But hey whoâ€™s counting when youâ€™re caught in the middle  
          F          G      C  
Of precious little and precious little

| C /// | Am /// | F /// | G /// |

The first of a million moments shared  
Tears, tantrums and monsters underneath the bed  
Just comes natural so donâ€™t be scared  
She wonders if she mightâ€™ve missed out

On love coming unconditional  
Hugs, and babe you know I love you still  
Smile â€™cause you know that I always will  
These are the years right now

          C      F          G  
Time, thereâ€™s not much left of it  
          C      F          G  
The clock, it keeps on ticking  
          C          Am  
But hey whoâ€™s counting when youâ€™re caught in the middle  
          F          G      C

Of precious little and precious little
