

## The Shine

Harper Simon

//I m 80% sure these chords are correct.

But Ultimate Guitar moved some of the chords around the screen,  
so just match them up with the lyrics

- The **F#/G** is this chord: (I didn t know what chord it was so I called it that)

```

-----3-----|      \
-----3-----|      \
-----0-----|      \  Hit the first 3/4 strings heavy and hardly play the
last 3/2
-----0-----|      /
-----0-----|      /
-----2-----|      /
\\
```

[Intro] **Am G**

[Verse]

**Am**

Theres place between waking and sleeping

**D**

A space where the land meets the sea

**G**

**F#/G**

**Em**

Thats where the shadows are keeping

**C**

**D**

The shine that you once kept for me

**Am**

Oh the stars are all laughing and twinkling

**D**

In a language they share with the moon

**G**

**F#/G**

**Em**

Thats when my feelings start thinking

**C**

**D**

Of the shine thats abandoned my moon

[Chorus]

**Em C**

The shine, the shine

**G**

**C**

That dazzled from the earth s sun to mine

**Em**

**C**

The shine, the shine

**G**

**D**

Your luminescent smile is sublime

**C**

**Em**

**Am**

And it goes from your bones deep within

**G** **C**

For your eyes were born on your skin

**Em** **C** **G**

The shine, the shine, the shine

[Verse]

[Chorus]

[Bridge]

**B**

Gotta get away, got to

Take some time

**G**

Nothing that I say, seems to

Change your mind

**B**

Everywhere I look is just a canyon

**C** **A**

But the sound will never shine

**G** **C**

Shine, shine, shine

**G** **C**

Shine, shine, shine

[Outro]

**C** **Em** **Am**

And it goes from your bones deep within

**G** **C**

For your eyes were born on your skin

**Em** **C** **G**

The shine, the shine, the shine
