This thief she keeps me grey but all I know is you  
F#m D A E F#m D A E  
Trapped in stone at least I know that I ll be with you  
F#m D A E F#m D A E  
From all the things I ve seen there s got to be a better way

It s not It s not It s not the words that you say  
E F#m A  
It s not It s not It s not the words  
E F#m D A  
It s not It s not It s not the words that you say  
E F#m A  
It s not It s not It s not the words

These hands they know not your touch leave them alone  
F#m D A E F#m D A E  
Your uncertainty in hard times left me scorned  
F#m D A E F#m D A E  
And I knew the answers to the questions that I asked  
F#m A A  
Now my freedom and virtue lay in the dark
