[Intro]
| Bm | G | D/A | D/A   A |

[Verse 1]
Bm   G
    Someone said to me
               D/A   D/A   A
Love is for the foolish and naïve
Bm   G
Wrapped in disbelief
               D/A   D/A   A
Headed for the ruins of you and me

[Pre-Chorus]
        Bm
We are burning out
        G
Turn our lights to dark
        D/A   D/A   A
And these words are knives to our bleeding hearts
        Bm
Now our eyes stare cold
        G
 Cause we fight too much
      D/A   A
Yeah, I think I ve had enough

[Chorus]
        Bm   D/F#
You re no good for me
    G   D/A
After all that we ve been through
        Bm   D/F#
You re no good for me
          G   D/A
This love s a lonely avenue
      Bm   D/F#
All you wanna do is sleep
      G   D/A
Lie on me, but here s the truth
        Bm   D/F#
You re no good for me

[Verse 2]
Bm   G
So take another shot
                    D/A   D/A   A
You can let go of the trigger when you re done
      Bm   G
Cause all I see are diamonds in the dust
   D/A   D/A   A
I guess happiness ain t made for us

[Pre-Chorus]
        Bm
We are burning out
         G

          D/A   D/A   A
And these words are knives to our bleeding hearts
