

**Little Cowboy**  
**Harry Nilsson**

**C** **B7**  
Little fellow you re so tired  
**C** **B7**  
You can hardly lift your head  
**Dm** **A7**  
But you wanna hear a story  
**Dm7** **G** **C**  
Before you go to bed  
**C** **B7**  
So if you ll be quiet  
**C** **A7**  
And listen patiently  
**D** **D7**  
I ll sing you a song  
**Dm7** **G**  
That my mother sang to me

**C** **D7**  
Little cowboy, put your saddle in the barn  
**G** **C**  
Tie your horse up tight, so he ll know no harm  
**F** **F7**  
Put your hat and your gun  
**C** **A7**  
Beside you on the chair  
**D7** **G** **G7**  
Don t forget, you ve got to say a little prayer  
**C** **D7**  
Little cowboy, you d better hit the sandman trail  
**F** **F7** **A7**  
Or you ll be late for roundup time you know  
**Fm** **F** **C** **A7**  
If you wanna be a cowboy, you d better rest a while  
**D7** **G** **C** **A7**  
Little cowboy baby of the old corral  
Little cowboy baby of the old corral
