

**Dont Let Me Go**  
**Harry Styles**

Not 100% sure, but...

**E** **Bm** **A**  
Now you were standing there right in front of me  
**E** **Bm** **A**  
I hold on scared and harder to breath  
**E** **Bm** **A**  
All of a sudden these lights are blinding me  
**E** **Bm** **Dsus2** **A**  
I never noticed how bright they would be

I saw in the corner there is a photograph  
No doubt in my mind it s a picture of you  
It lies there alone on its bed of broken glass  
This bed was never made for two

**Gbm** **A**  
I ll keep my eyes wide open  
**Gbm** **A**  
I ll keep my arms wide open

**E**  
Don t let me  
**Bm**  
Don t let me  
**Dsus2**  
Don t let me go  
**A**  
Cause I m tired of being alone

**E**  
Don t let me  
**Bm** **Dsus2**  
Don t let me go  
**A**  
Cause I m tired of feeling alone

**E** **Bm** **A**  
I promise one day I ll bring you back a star  
**E** **Bm** **A**  
I caught one and it burned a hole in my hand oh  
**E** **Bm** **A**  
Seems like these days I watch you from afar  
**E** **Bm** **Dsus2** **A**  
Just trying to make you understand  
**Gbm** **A** **F** **Fm**  
I ll keep my eyes wide open yeah

Don t let me  
Don t let me  
Don t let me go  
Cause I m tired of feeling alone  
Don t let me  
Don t let me go

Don t let me  
Don t let me  
Don t let me go  
Cause I m tired of feeling alone

Don t let me  
Don t let me  
Don t let me go  
Cause I m tired of feeling alone

Don t let me  
Don t let me go  
Cause I m tired of sleeping alone

Amazing song... so beautiful... I m in love with it... enjoy .xx
