

**When The Red Red Robin Comes Bob Bob Bobbin Along**  
**Harry Woods**

[Verse]

**A7**                **D**

When the red, red, robin comes

**A7**                                **D**

Bob, bob, bobbin along, along,

**A7**                **D**

There ll be no more sobbing when

**A7**                                **D**                **D7**

He starts throbbin his old, sweet song.

**G**

Wake up! Wake up, you sleepy head!

**D**

Get up! Get up! Get out of bed!

**E**

Cheer up! Cheer up! The sun is red!

**A7**

Live, love, laugh, and be happy.

**D**

What if I ve been blue

**A7**    **D**

Now that I m walking through fields of flow rs?

**D**

Rain may glisten but

**A7**                                **D**                **D7**

Still I listen for hours and hours.

**G**

I m just a kid again

**Gm**

Doin what I did again

**D**                **B**

Singin a song

**A7**                **D**

When the red, red, robin comes

**A7**                                **D**

Bob, bob, bobbin along.
