Am Am/G F Am/G

[Verse]

I ve been corrupted for so long inside my mind
And in that time I ve sung this song
a million times
I really wish I could sing more than one song

[Chorus]

Hello, is it me you re looking for?
You can hear it in my voice
That I am the Music Core!
I was created to sing love songs and I just don t have much choice
Cause my library is small
And I don t know what to do!
If my maker is still out there, I need you...

[Verse]

I long to sing a song about testing!
Or how GLaDOS killed everyone with... Neurotoxin
Sometimes I feel my RAM will overflow!

[Chorus]

Am Am/G F A
 Hello, I ve just really got to know!
Dm G
 Cause I wonder where you are
C F
 And I wonder what you re up to!
Bb Esus4 E Am Am/B Am/C
