

Little Round Mirrors
Harvey Danger

Capo on the 4th Fret.
All chords relative to capo.
-n3rt

::INTRO::

E Asus2 Dsus2 Asus2 E

::VERSE::

E
All alone
Asus2
On the floor
 Dsus2 **Asus2** **E**
Next to your twin-bed box-spring and mattress
E
The door
Asus2
Is ajar
Dsus2
From afar
 Asus2 **E**
You can hear bands practicing

E **Asus2**
And When they dream they all
 Dsus2 Asus2 **E**
Dream of somebody like you
E **Asus2**
Somebody who takes what they make
 Dsus2 **Asus2 E**
Twice as seriously as they could ever hope to do
E
And when you dream
Asus2
You dream of a day...

::CHORUS!::

B **Asus2** **E**
When you find something you could love half as much
 Asus2 **E**
As you love all your little round mirrors
 B **Asus2** **E** **Asus2**
See yourself reflected in one, theres a hole in the middle

E

You can t seem to fill

::BRIDGE::

B Asus2 E Asus2 Asus2 X2

E

Bring them home

Asus2

Watch them go

Dsus2 Asus2 E

All you know is you hope they ll hurry back

E

And you cry

Asus2 Dsus2 Asus2

Then you lie your frail body down

E

Like a penny on a railroad track

E Asus2

And even if they stay in touch

Dsus2 Asus2 E

The past stays in the past

E

But every time

Asus2 Dsus2 Asus2 E

You crash a little bit harder than the last

E Asus2

And every time you crash don t you

::CHORUS!::

Esus2/B Asus2

Wanna find something you could love

E Asus2 E

Half as much as you love all your little round mirrors

Esus2/B Asus2

See yourself reflected in one

E Asus2 E

There s a hole in the middle you can t seem to fill

::BRIDGE::

B Asus2 E Asus2 Asus2 X2

::BREAKDOWN::

E

A shooting star is

Asus2

A little piece of

E Asus2 Dsus2 E

Cosmic debris desperately wanting to fall to earth

E

It doesn't get too far

Asus2

It's not a real star

E

Asus2

Dsus2

E

It's hardly even worth footnotes in your memoir

E

Shoulder to shoulder

Asus2

Up on our tip-toes

E

Chewing our fingers

Asus2

Dsus2

And craning our necks

E

Just to see

E

Quite the collection

Asus2

Divide by section

E

Asus2

Dsus2

It's just a surrogate connection leaving you

::VERSE::

E

all alone

Asus2

On the floor

Dsus2

Asus2

E

next to your twin-bed box-spring and mattress

E

The door

Asus2

Still ajar

Dsus2

Asus2

E

There you are and now you're coming to stay until

::CHORUS::

B

Asus2

E

You can find someone who will love you as much

Asus2

E

As you love all your little round mirrors

B

Asus2

Murdering your town in cold blood

E

Asus2

E

There's a hole in the middle you can't seem to fill

::OUTRO::

B Asus2 E Asus2 Asus2 X4

Oh, and heres the little Horn Part, but not relative to the Capo
