Sleep Hatchie [Chorus] G You don t have to speak out loud You can say it in your sleep Just come see me in my dreams G No wonder I m smiling in my sleep [Verse 1] Tell me if you could decide What you could provide Wanna know your insides With no time left to hide Do you still believe in fate? Great love still awaits Or is it really too late? No time to escape [Chorus] You don t have to speak out loud D G You can say it in your sleep Just come see me in my dreams No wonder I m smiling in my sleep [Verse 2] I dream of keepin you confined No one else is all mine

Two worlds collide Baby, I m a piece of glass, I shatter so fast Don t know how long I ll last Is one day too much to ask? [Chorus] G You don t have to speak out loud G D You can say it in your sleep G Just come see me in my dreams G No wonder I m smiling in my sleep [Bridge] Α Tell me what s on your mind G D Are you leavin me behind? Do you feel what I feel? Is it buried deep inside? [Chorus] G You don t have to speak out loud D You can say it in your sleep Just come see me in my dreams D A G No wonder I m smiling in my sleep You don t have to speak out loud You can say it in your sleep Just come see me in my dreams G D A No wonder I m smiling in my sleep
