G
Well I woke up this morning
With a Head full of poison

F **C**
And a stinking suspicion that the end was coming soon

G
So I pulled back the curtains
And I looked out the window

F **C**
Only to discover that my fears are coming true

G
(Yeah its true)

[Chorus]

Em **C** **G**
Now we re standing at the end of the world, My friend,

Em **C** **D**
And there s nothing we can do about it now

Em **C** **G**
Yeah we re standing at the end if the world, My Friend,

F **C**
Gonna watch it all burn down.

G **F** **C**
Yeah we re gonna watch it all burn down!

[Verse]

G
I used to wonder, How a flower lost its pedals,

F **C**
Leaves the fool who metals in the dealings of the dead

G
So I take medication and turn up the television
Yeah drown out the voices,

F **C** **G**
the voices in my head (My head)

[Chorus]

Now we re standing at the end of the world, My friend,
And there s nothing we can do about it now
Yeah we re standing at the end if the world, My Friend,
Gonna watch it all burn down.

[Verse](In this verse he switches between C and G fast)

I ve got eyes, but I cant see
Forest for the trees
I won t believe it till I see it on TV
I ve got ears, they don t hear
Words don t come in clear
So I ll just sit back and watch it all just disappear

[Chrous]

Now we re standing at the end of the world, My friend,
And there s nothing we can do about it now
Yeah we re standing at the end if the world, My Friend,
Gonna watch it all burn down.
Yeah we re standing at the end if the world, My Friend,
There s no place that I would rather be
Yeah we re standing at the end if the world, My Friend,
We re Gonna watch it on TV
Standing at the end (at the end of the world)
Yeah, we re standing at the end(at the end of the world)
I was standing at the end(at the end of the world)
Gonna watch it on TV
Yeah we re gonna watch it on TV!

[Outrol]
