Well I woke up this morning  
With a Head full of poison  
**F** **C**  
And a stinking suspicion that the end was coming soon

**G**  
So I pulled back the curtains  
And I looked out the window  
**F** **C**  
Only to discover that my fears are coming true  
**G**  
(Yeah its true)

[Chorus]  
**Em** **C** **G**  
Now we re standing at the end of the world, My friend,  
**Em** **C** **D**  
And there s nothing we can do about it now  
**Em** **C** **G**  
Yeah we re standing at the end if the world, My Friend,  
**F** **C**  
Gonna watch it all burn down.  
**G** **F** **C**

[Verse]  
**G**  
I used to wonder, How a flower lost its pedals,  
**F** **C**  
Leaves the fool who metals in the dealings of the dead  
**G**  
So I take medication and turn up the television  
Yeah drown out the voices,  
**F** **C** **G**  
the voices in my head (My head)

[Chorus]

**Em** **C** **G**  
Now we re standing at the end of the world, My friend,  
**Em** **C** **D**  
And there s nothing we can do about it now  
**Em** **C** **G**  
Yeah we re standing at the end if the world, My Friend,  
**F** **C**  
Gonna watch it all burn down.

I ve got ears, they don t hear  
**G** **C** **G** **C**  
Words don t come in clear  
**G** **C** **G** **C** **G** **C** **G**  
So I ll just sit back and watch it all just disappear
