

**Fairy Tales**  
**Haven**

artist: Haven  
song: Fairy Tales  
tabbed by: jerry(eric) howard at: thingstocome@juno.com

here s the 100% correct version. i got it from their book.  
these guys are awesome even though not too many people know of them. but for  
those lucky fans, here s one of their calmer songs.

verse chords go like this: Bm,D,A,G  
chorus chords: **C,F,Em**  
guitar fill when everything stops: G7,G

just listen for a change in the guitar sound to realize where the chorus go  
(DUH!).  
any way---ROCK ON FELLOW HAVEN FANS!
