(verse 1)

E

Can we get back to the basics?

B

Back where we came from?

C#m

When we didn't have no worries

A

We were basking in the sun

E

Sometimes the least of my problems

B

feel like the biggest ones

C#m

When you said that you were leaving,

A

felt like we had just begun

(Pre Chorus)

C#m

It would be so easy

A

Oh, if it was that easy

(Chorus)

E

B

I can't sleep tonight

C#m

A

So tell me one more time

E

B

When I dream,

C#m

A

it will be you that's on my mind

E

B

It's my heart you hold,

C#m

A

so never let it go

E

B

C#m A

I still love you like I loved you long ago

(Verse 2)

E

B

Saw you out on the freeway, and later at the show

C#m

A

It could be my imagination, but I know I'm not alone

E All the lights in the city are burning out with time

C#m But there s a light that hangs above, and it s keeping us in line

(Pre Chorus)

(Chorus)

(Bridge)

C#m All this time that s running by won t stop until we stand still

C#m Cause we are incomplete until we finally breathe

(Chorus)

(Ending)

E Let s take a look at the future

B See where we left off

C#m I m so grateful that I found you

A Cause, without you, I am lost

end on E

That s it
