

One Thing I Have Left

Hawk Nelson

Em

Will someone please radio for help?

Em

Cuz I think I m allergic to myself

G

Em

And they think they can throw us all away

G

Em

We gotta stop it before it s all too late

Em

There s got to be a better way

G

Em

They dissect everything we say

G

Em

To try to make us feel this way

G

C

And you can take the one thing I have left

Em

D

I d give it all away for so much less

G

D

Can even take the heart inside my chest

Em

Woah-woah.

G

C

And you can take the one thing I have left

Em

D

Beat me to the ground and take my breath

G

D

But you can t take who I am

Em

woah-woah.

And I swear we were born to let you down

We scream but never make a sound

We point but don t know which direction

We are America right now

There s got to be a better way

They dissect everything we say

To try to make us feel this way

And you can take the one thing I have left

I d give it all away for so much less

Can even take the heart inside my chest

Woah-woah.

And you can take the one thing I have left
