Verse:1

```
A                B
Every time that I close my eyes
E                A                (Riff2)
I cathch a glimpse of the west coast sunrise
A                B                E A (Riff2)
I can tell you your just as beautiful
```

```
A                B
Overwhelmed by the fear in stagefright
E                A                (Riff2)
Your the only one in my spotlight
A                B                E A (Riff2)
Even when you dont feel so beautiful
```

Chorus:

```
A                B
We ve got one chance
E                A                (Riff2)
We ve got one chance
A                B                E A (Riff2)
We ve got one chance to shine
```

Verse:2

```
A                B
Still awake in the start of daylight
```

E **A** (Riff2)
I miss you bad but I swear I m allright

A **B** **E** **A** (Riff2)
I ll see you soon when the leaves turn colorful

A **B**
I see your face in my own reflection

E **A** (Riff2)
Scare the cro but theres no connection

A **B** **E** **A** (Riff2)
Without you nothing feels like home

(Riff2)
