We Will Still Need A Song
Tabbed by Dave

intro **A**

A

Fuck you you re drunk and acting tough

E

I know you re sad

D

You re not the only one who feels like that now

A

And maybe anger is your only choice

E

But maybe heart and fist and human voice

D

Might be the better way

Bm A

Be the way

D

A

Cause we, we will still need a song

Em G

To carry our love away

D

To carry it away

A

We will still need a song

Em G

To carry our hearts away

D

To carry them away

A

Don t let another tear be in your eyes

E

We can die in peace knowing we tried

D

To change our own ways

A

The poets let a generation down

E

And modern music could be the healing sound

D

It s the only way

Bm A

Only way
