Lost Johnny  
=====

**G A**  
You only get a single chance

**G A**  
The rules are very plain

**G A**  
The truth is well concealed inside

**G A**  
the details of the game

**D E**  
You can see it coming

**D E**  
You can hear it from afar

**D E**  
It s pale and it flickers

**C D G-A**  
Like a faded movie sta-ar

**D E**  
And up there in the castle

**D E**  
they re trying to make us scream

**D E**  
by sticking thumb tacks in her flesh

**C D G-A**  
and cancelling the dre-am

**D E**  
Can you find the Valium?

**D E**  
Can you bring it soon?

**C D G-A**  
Lost Johnny s out there baying at the Mo-on

**G A**  
The time has come for you to choose

**G A**  
and you d better get it right

**G A**  
Berlin girls with sharp white teeth

**G A**  
are waiting in the night

**D E**  
But you ought to really get some

**D E**

It surely can't be hard

**D E**

There's always trouble waiting

**C D G-A**

when you leave your own back ya-ard

**D E**

And underneath the city

**D E**

the alligators sing

**D E**

about how the puppets cannot dance

**C D G-A**

since someone cut their strings

**D E**

Run and get the morphine

**D E**

for God's sake make it brief

**C D G-A**

Lost Johnny's out there looking for relief

**G A**

Now he sounds and looks so evil

**G A**

and you know he really tries

**G A**

but every time he makes a play

**G A**

that vital number dies

**D E**

And Sally buys her underwear

**D E**

from a store where no-one goes

**D E**

She makes it big in photographs

**C D G-A**

on the strength of what she shows

**D E**

And here inside the waiting room

**D E**

the radio still screams

**D E**

And we're all taking Tuenol

**C D G-A**

to murder our young dreams

**D E**

Run and fetch your credit card

**D E**

Try to make it quick

**C**

**D**

**G-A**

Lost Johnny s out there trying to turn a tri-ick
