Magnu

=====

E **F**
Magnu, horse with the golden mane
E **D**
I want your help yet once again
E **F**
Walk not the Earth but fly through space
E **D**
As lightning flash or thunders race
E **F**
Swift as the arrow from the bow
E **D**
Come to me so that no one can know

E **F**
Sunbeams are my shafts to kill
E **D**
All men who dare imagine ill
E **F**
Deceit that fears the light of day
E **D**
Fly from the glory of my ray
E **F**
Good minds open and take new light
E **D**
Until we diminish by the reign of night

F#
A burning brand was seen to fall
Bb
It lit the darkness of the hall
D
Flying hoofbeats circling in
D
Come to me and let us spin
