Magnu

=====

**E** **F**  
Magnu, horse with the golden mane  
**E** **D**  
I want your help yet once again  
**E** **F**  
Walk not the Earth but fly through space  
**E** **D**  
As lightning flash or thunders race  
**E** **F**  
Swift as the arrow from the bow  
**E** **D**  
Come to me so that no one can know

**E** **F**  
Sunbeams are my shafts to kill  
**E** **D**  
All men who dare imagine ill  
**E** **F**  
Deceit that fears the light of day  
**E** **D**  
Fly from the glory of my ray  
**E** **F**  
Good minds open and take new light  
**E** **D**  
Until we diminish by the reign of night

**F#**  
A burning brand was seen to fall  
**Bb**  
It lit the darkness of the hall  
**D**  
Flying hoofbeats circling in  
**D**  
Come to me and let us spin
