Needle Gun Hawkwind

```
В
So you re alive, I thought you was done
I m gonna bring you down
with my needle gun
Feel my pin-prick tattoo your spine
Give it a minute
Your life s entwined with mine
В
It s gonna make you run
Needle needle, needle needle gun
Hear my laughter in your head
It s a pity, it s a shame
that nothing s been said
It s a vaccination joy with the ultimate death toy
It s gonna make you run
needle gun, needle gun
