I ll [Am]see you sometime [Am]later
When I m [Am]through with my accumu[Am]lator

It s no [G]social inte[Am]grator
It s a [G]one man iso[Am]lator
It s a [G]back brain [Am]stimulator
It s a [G]cerebral vi[C]brator of or[Am]gonas [Am]

Those [Am]energy stimu[Am]lators
Just turn your [Am]eyeballs into [Am]craters
But an [Am]orgone accumu[Am]lator
Is a [Am]superman cre[Am]lator

It s no [G]social inte[Am]grator
It s a [G]one man iso[Am]lator
It s a [G]back brain [Am]stimulator
It s a [G]cerebral vi[C]brator of or[Am]gonas [Am]
