The Demented Man  
=====

**Am**  
The questions asked but never known  
**Am** **D**  
The feeling governs which way I'll go  
**Am**  
Endless circles on my mind  
**Am** **D**  
spiralling a downward climb, which way I'll go.  
**Am**  
The thoughts are there for you to find  
**Am** **D**  
but you never know which way I'll go

**F** **Em**  
Those flashing lights are warning me  
**F** **Em**  
But ever bidding voices see  
**F** **Em**  
You're caught in a web of emptiness  
**F** **Em**  
The tales told the path you tread  
**F** **Em**  
Does it lead into your head?  
**F** **Am**  
Or back to a world of emptiness?

**Am**  
Smiling faces watching me  
**Am** **D**  
Helping hands just wait and see, which way I'll go  
**Am**  
White walls stretching in the sun  
**Am** **D**  
Was it that here I began which way I'll go  
**Am**  
Faintly voices plead with me  
**Am** **D**  
ever asking, ever see, which way I'll go.
