The Right Stuff
=====

E **D**
I don t feel fear or panic

E **D**
and nothing brings me down

E **D**
I m an aerospaceage warrior

E **D**
I can fly sideways through sound

A **G**
My reflexes and reactions

A **G**
are as fast as a machine

E **D**
I m the right stuff baby, the right stuff

E **D**
I m the right stuff baby, the right stuff

E **D**
just watch my trail

E **D**
When the dial needle flickers

E **D**
around Mach one or two

E **D**
and something happens suddenly

E **D**
I know exactly what to do

A **G**
My feet move without thinking

A **G**
and my hands like lightning too

E **D**
I m the right stuff baby, the right stuff

E **D**
I m the right stuff baby, the right stuff

E **D**
I never fail

E **D**
My nerves are made of steel

E **D**
and my eyes are eagle sharp

E **D**
and what would freak the average man

E **D**

does not affect my heart

A

G

not even if this sardine-can

A

should shake itself apart

cause I m the right stuff baby, the right stuff

E

I m the right stuff baby, the right stuff

as hard as nails

I never fail

just watch my trail
