We Took The Wrong Step Years Ago
Hawkwind

```
   C#7/B           C#7/6          C#7
Think about the things that we should have done before
     C#7/B           C#7/6     C#7
The way things are going the end is about to fall

 B                            C#7
We took the wrong step years ago
 B                            C#7
We took the wrong step years ago
 B                            C#7
We took the wrong step years ago

 C#7/B          C#7/6              C#7
Take a look around and see the warnings close at hand
   C#7/B           C#7/6           C#7
Already weeds are writing their scriptures in the sand

     C#7/B          C#7/6            C#7
The morning sun is rising, casting rays across the land
   C#7/B          C#7/6        C#7
Already nature s calling, take heed of the warning
